

P&WC PT6A-35 DLX Engine Upgrade is Available for the JetPROP PT6A-34!

Now you can upgrade your JetPROP PT6A-34 engine with a new P&WC PT6A-35, and begin realizing the benefits of a DLX Engine Upgrade - including:

- ✓ *Factory New P&WC PT6A-35 Engine!*
- ✓ *3600 Hour TBO!*
- ✓ *New 5 Year/2500 Hour P&WC Warranty!*
- ✓ *Upgrade Cost Comparable to a PT6A-34 Overhaul!*
- ✓ *Increased Resale Value!*
- ✓ *Increased True Airspeed!*
- ✓ *Increased Fuel Efficiency!*
- ✓ *Lower Overall Operating Costs!*
- ✓ *New Lightweight MT Propeller Upgrade Available!*
- ✓ *New Moritz Engine Cluster Gauge Upgrade Available!*
- ✓ *New JetPROP Factory SIL Upgrades Available!*
- ✓ *Quick Turn Around Times!*
- ✓ *Includes Complete JetPROP Upgrade Inspection!*

The PT6A-35 engine upgrade is a simple bolt-on application for the JetPROP turbine conversion. Your P&WC PT6A-34 turbine engine is exchanged for a factory new P&WC PT6A-35 engine. Please contact Patrick J. Carter for complete details, or to schedule your engine upgrade today!
