## **JetPROP Owner**

The **Authorization Prior to Warranty Repair** form must be approved by an authorized JetPROP representative <u>in advance</u> of any repairs being completed by the repair facility.

Pictures should be attached to the repair facility's claim when their inclusion will help identify the condition of the part being repaired or replaced, and thus assisting in approval of the claim.

Following approval by an authorized JetPROP representative, all warranty repairs should be scheduled and performed as soon as possible.

Payment requests for warranty repairs should be directed to:

JetPROP, LLC 6427 E. Rutter Road, Suite J Spokane, WA 99212

If you have any questions regarding warranty repair issues or claims, please contact a JetPROP salesperson at 509-535-6445. Thank you.
